Westfield High School

## **A Message from Principal Jendrysik**

Hello, and welcome to the Westfield High School Newsletter. Westfield High School is off to an outstanding start to the 2018-2019 school year. We started our year strong with an incredible Freshmen Orientation led by our Renaissance Club, National Honor Society, and Student Council, held our annual open house, and are finding success both in our classrooms and on our athletic teams. Students have acclimated to the building and are working hard towards their academic goals.

As the third year principal of Westfield High School, I am excited about the direction of our school, the dedication of our faculty, staff and administrative team, and am encouraged by the diligence, caring, and commitment of our students to their studies.

Students kicked off their senior year at the spaghetti supper with fun, friends, and delicious spaghetti!

Recently our school welcomed Danish exchange students. The Danish students and their hosts had the pleasure of seeing our state's capital!

Many of Westfield High's after school clubs and sports are in full swing! Make sure to get involved and show your Bomber pride!
