Westfield High School

A Message from Principal Jendrysik

Hello, and welcome to the Westfield High School Newsletter. Westfield High School is off to an outstanding start to the 2019-2020 school year. We started our year strong with an incredible Freshmen Orientation led by our Renaissance Club, National Honor Society, and Student Council. We had our annual open house, and are finding success both in our classrooms and on our athletic teams. Students have acclimated to the building and are working hard towards their academic goals. As the fourth year principal of Westfield High School, I am excited about the direction of our school, the dedication of our faculty, staff and administrative team, and am encouraged by the diligence, caring, and commitment of our students to their studies.

September Recap

Another summer has flown by. On August 20th we welcomed our 2023 freshman class at the freshman orientation. The students were given tours of the building and were treated to custom t-shirts and ice-cream. It was great to meet our newest Bombers!

Our annual Open House was well attended. It was fun to see the families navigate their students' schedules! The Administrative team was at the front door to greet all of our families, and we had food trucks to add to the festive atmosphere.

Ms. Stillings class hosted Cupcake wars. It was a great event that showcased the students' team work and culinary skills. Many staff members were judges. It was a great experience, and the cupcakes were amazing

Student Council members took time out to plan for the busy year ahead. Here they are at their annual workday making plans for a great 2019-2020 school year.

**Many of Westfield High's after school clubs and sports are in full swing!
Make sure to get involved and show your Bomber pride!**
