

After careful consideration and consultation with state and local public health officials, Westfield Public Schools will be closed beginning Monday, March 16 through Friday, March 27 for primary preventative purposes. PLEASE NOTE THAT GOVERNOR BAKER HAS NOW CLOSED SCHOOLS THROUGH MONDAY, APRIL 6, 2020.

Please be assured that this decision is not in response to a confirmed case of COVID-19 in our community. We have no higher priority than student and staff safety. The closure will allow the opportunity for social distancing and allow the medical community time to better advise future decisions. We will provide more information to our school community as it becomes available. Thank you.
